## Education

### Mount Ida College, Newton MA

#### Candidate for a Bachelor of Science in Game Art - Class of 2017

Represent Game Art/Animation Majors at PAX East, Boston FIG, and Mount Ida Open House. Coursework: 3D Modeling 1 & 2, 3D Animation 1 & 2, Texture Lights and Rendering, Game Development, Drawing, Human/Animal Anatomy, Rigging

## Skills

Autodesk Maya (Modeling, Animation, Rigging, Scripting, Texturing), Unity 5, Adobe Photoshop, Understanding of Human Anatomy, Pixologic Zbrush, Unreal Engine, Mental Ray, Python, MS Office, Adobe After Effects, Substance Painter, Substance Designer

## Projects

### S.A.M. (Shipped Android Title) - Spring 2016

Served as Assistant Producer and performed scripting (with Unity) for a 2D Platformer that saves a computer by destroying deadly viruses. S.A.M. was shipped May of 2016.

### Biped Character Rig - Fall 2015

Developed a skeleton rig for a 3D marine to have believable movement. Applied knowledge of human anatomy to accurately represent human motion.

### Realistic 3D Model - Spring 2013

Designed a realistic 3D model of 756 Ducati Monster under a two-week time constraint. Utilized understanding of virtual space, advanced modeling, multi texture mapping, and UV unwrapping.

## Experience

### Game Development Association, Mount Ida College

President 2016 - Present

Provide leadership, tutoring and advice for 20+ students across all class standings. Help Game Art/Animation students to achieve by encouraging them to focus and to work on their craft, allowing them to grow as artists.

### School of Design CAGE, Mount Ida College

Assistant 2014 - Present

Maintain inventory for all of the School of Design equipment; test and fix local printers. Print and mount projects for all Game Art, Fashion, Photography, Graphic and Interior Design students. Tutor Game Art & Animation students of the School of Design.

### Zoe's Pizza, Mashpee MA

Cashier/ Pizza Chef May 2011 - 2015

Oversee the front counter and provide excellent customer service when taking orders. Remedy any issues with customers. Prep and cook all menu items.
